

Minutes of Selectmen's Meeting, Town of Freedom, NH 03836
Monday, January 25, 2016

Present: Leslie Babb, Neal Boyle, Ernest Day, Jr. Selectmen; Karen Hatch, Town Adm.; Scott Brooks, Road Agent; Justin Brooks, Fire Chief; Police Chief Josh Shackford; officer Joe Duchesne and resident Bill Elliott.

Diane Currier of Aflac met with the board to review the meeting with employees. After more explanation of the program it was decided that she would meet with town employees Wednesday and Thursday to begin the application process. With this information they could generate a more exact premium. Babb asked if these real numbers could be received by March 7th. She was to find out if that was possible, check with our current carrier to see if we could get out of our current insurance program and Boyle had requested a list of other municipalities that were participating. She will get back to us with that information.

There was no public comment.

Moderator Don Johnson met with the board to review the Selectmen's presence according to state statute for the upcoming primary.

Chief Shackford started department head updates. He stated that the Ted Cruz event held in the village went without incident.

S. Brooks handed out a cost analysis for hired truck winter maintenance costs which by using this method is still most cost efficient for the town. He also reported that they were tree/brush cutting along the roadways.

Hatch asked for a brief review of the warrant and J. Brooks had nothing new to report.

Babb made a motion to enter into non public session at 7:52pm for an annual employee review. Returned to open session at 8:23pm and meeting was adjourned.

Respectfully Submitted,
Karen Hatch
Town Administrator
