**Board Appointments**

The terms of Mike, Rob and Sue are up this year. Mike has declined re-appointment, Rob agreed to be reappointed as a full member and Sue has agreed to be re-appointed as an alternate. Bill Elliott said he might have to resign the FCC due to being on too many town boards. People interested in possible appointments: Sarah Tabor, Kevin Connerton (alternate) and Kyle Johnson. A suggestion was made to put the need for FCC members in the Freedom Column. Bill gave a thank-you to Michael for his contribution to the board.

*Check future meeting minutes for any amendments or changes to these minutes.*

**FAC Report – Rob Hatch**

Rob will have a meeting with BH Keith this month before the joint FCC & FAC Meeting in April, to discuss:

- Town Logger
- Bid from HEB for \$3,200 to install boundary markers on Foord Property

NHDRED would like resolved the right-of-way for the Foord Property, Easement issues, and boundary marker. HEB gave a figure of \$3,200.00 to do this but the town has a purchasing policy but it might be too costly to re-orient a new firm on the issues.

**Intent to Cut Applications**

All Intent to Cut Applications were reviewed.

**Other Business**

Alice wrote a note for the Green Mountain Conservation Group Newsletter about the FAC video on the town forest.

**Review Jack Middleton letter**

Jack Middleton sent a letter to the Town of Freedom stating his wish to donate 6.92 acres of land on Fox Run Rd. Tax Map#3 Lot 25-01. A motion was made by Bill, seconded by Alice, to accept the gift of Tax Map #3 Lot 25-01 from Jack Middleton. All were in favor.

**Septic Review Sub-Committee – Paul Elie**

Instructions were passed out for access to the NHDES database for subcommittee information. A discussion followed on manual search vs. NHDES Database search. Paul would like to use the next 2 months for gathering information and in June merge all files into one large file.

A motion was made by Bill, seconded by Alice, to adjourn the meeting.  
Meeting adjourned at 7:45pm.
