FAC Report

Rob reported that no members of the public showed for the public meeting of the stewardship plan.

Rob thought that the Old Home Week Committee had withdrawn their request for both the horse drawn tour of the town forest and the hike. The hike is still listed on the Old Home Week program for Monday at 9:30 am. Rob needs a few more volunteers that know the trails. He will take the educational tour that goes from the Jackman gate to the pond.

The Freedom police stopped a dirt bike exiting the town forest.

Rob submitted a printout of a camera that he would like to submit to the selectmen for approval to purchase. The camera will transmit realtime pictures offsite and he would like to put it at the kiosk. The cost is about \$425.00 which includes a battery that lasts for a year. The last camera that was placed at Jackman Ridge was stolen.

Rob made a motion to forward the request to the Selectmen for approval. Seconded by John. All were in favor.
