**OFFICIAL BALLOT
of the TOWN OF FREEDOM**

A. Elizabeth Priebe, Town Clerk

(PLEASE NOTE: Article Number corresponds to the Official Town Warrant)

ARTICLE 2 (To vote by Official Ballot):

Are you in favor of the adoption of Amendment No. 1 as proposed by the planning board for the town zoning ordinance as follows: amend Article 904 to remove sections 904.3.3 and 904.4.2, which restrict accessory dwelling units to one bedroom. Add a new section 904.3.3 to require a door (which is not required to be unlocked) between accessory dwelling units that are attached to the primary dwelling. Freedom's zoning ordinance already has provisions for accessory dwelling units (ADUs), but the current ordinance does not comply with all requirements of a new state law, SB 146. This ballot question asks voters to approve two changes required by the law to bring Freedom's regulations into compliance with the new state rules. (Recommended by the Planning Board)

125 YES NO 30

ARTICLE 3 (To vote by Official Ballot):

Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town zoning ordinance as follows: Add sections 304.6.6.3 to the zoning ordinance to specify how trees can be removed in the shorefront to control storm water run-off to better protect water quality? The planning board is proposing this to protect the water quality of Freedom's lakes and rivers. While there are state regulations regarding the removal of trees along the water, this amendment will allow the town to enforce these rules (rather than rely on the state to do it). (Recommended by the Planning Board)
