Progress Report

New Hampshire Department of Environmental Services (NHDES) conducted a survey of Danforth Pond and the Marina. The Ossipee River still needs to be surveyed. Five days of diving have been completed, in Danforth Pond. The cool spring has helped with the spread of milfoil.

The Lake Host Program is starting June 9, 2017 at the Marina. All contracts have been signed by the Board of Selectmen.

Jim attended a training session for the Lake Host Program and there is a new law that states boats must drain the water out of there boat before they leave the ramp. Bruce is going to check into finding written information on this.

Weed Watcher Training is this Saturday, June 10, 2017, at Camp Calumet. Ned will fill out the sandwich sign and place it at Calumet for Saturday.

A motion was made by Bill, seconded by Ned, to adjourn the meeting.

Meeting adjourned at 7:45pm.

Check future meeting minutes for any amendments or changes to these minutes.
