### **NO MOTOR VEHICLE TRANSACTIONS OCTOBER 6 - OCTOBER 10, 2017**

The NH Department of Safety, Division of Motor Vehicles has announced that a new computer system (VISION) will be implemented in the month of October 2017. As a result, there will be an interruption of motor vehicle registration processing statewide.

Town/City Clerk's Offices, along with the DMV Offices (Tamworth and Concord included), will be unable to process new or renewal registrations over the Columbus Day holiday weekend, beginning Friday, October 6, 2017, and will be resuming transactions on Wednesday, October 11, 2017.

The Freedom Town Clerk's Office will be **CLOSED** on **Saturday, October 7** and **Monday, October 9th**. The Office will be open on Tuesday, October 10, for all other business transactions NOT related to vehicle registrations for the limited operating hours of 12 noon to 5:00 p.m.

The Town Clerk's Office will be open regular hours on Wednesday, October 11, 2017: 9:00 am to 3:00 p.m. + 6:30 p.m. to 8:00 p.m., with the sincere hope that there will be no kinks in the new operating system. Please come in with your documents, humor and patience accordingly!

If you have a new registration, a temporary plate or your registration renewal is due during the month of October, please make sure you are aware of this processing interruption. Please feel free to visit the DMV website at [www.nh.gov/dmv](http://www.nh.gov/dmv) for updates concerning this implementation.
