**ARTICLE 2** (To vote by Official Ballot):

Are you in favor of the adoption of Amendment No. 1 as proposed by the planning board for the town zoning ordinance as follows: add section 304.6.7 Impervious Surfaces on Shorefront Lots to article 304? This addition will mirror the state's requirements under RSA 483-B:9 V.(g) regarding the percent of impervious surfaces and storm water management plan requirements (as published in the 2017 – 2018 edition of NH Planning and Land Use Regulation). Property owners must already comply with these regulations. This will allow the town of Freedom to protect water resources locally.
