Meeting called to order at 7:00pm

Minutes

A motion was made by Park, seconded by Newbury, to approve the minutes from July 1, 2015 as written. All were in favor.

Update on Jackman Ridge Road Repair Project

Hatch reported that the culverts have been put in and the road has been re-crowned. All is complete and the crew should be done and out of the forest. The road is rustic, as it should be, and the only real maintenance necessary was the crowning.

Update on Ten Year Power Point Presentation

Jack Wolter is still assisting with this project. Hatch will be in touch with him to give him so he can have the information to set up. Depew is waiting for Wolter to be in touch regarding the prologue.

Spring Clean Up Projects

Newbury has painted the metal gates near the kiosks yellow. Newbury also cleared some blue flagging tape out of the trail off Jackman Ridge leading to Maryø Mountain.
