UNFINISHED BUSINESS:

Freedom School Student’s Inventory Report: With the help of a Power Point presentation the students presented a well done report on how they researched the history starting with information recorded several years prior to construction of the first building in 1983. They reported and illustrated how the research was done and the information gathered about this first building and the two additions. Their report included a flying (drone) video of the property done by a high school sophomore, brother of one of the 6th. graders.. Details of this presentation are recorded in the June 8, 2017 summary of the presentation written by Peg Scully and attached to these minutes.

Roller Shed: All scheduled work has been completed including placement of the siren. Final payment from the grantor has been made and contractors will be paid. Some discussion on how the siren was used and the remote control panel that may be available. An effort should be made to find a donor to fund a bronze plaque for this building.
