Lake Host of Positions

Jim reported there are several applications that have come in for the lake host position. Ned asked the source of the referrals. Jim did not have the list with him but will check as he goes through the applications. Ossipee Lake Alliance was a big help in recruiting applicants; the class will be offered online now, so applicants don't have to go to Concord. The preferable age for the lake host position is 18. Discussion ensued around sharing the applications with Ossipee and all of the ramps that need to be covered.

Ned made a motion, seconded by Bill for Jim to review the applicants and extend an offer for the lake host position. All were in favor.

Minutes

The minutes for the April 11, 2019 meeting were reviewed.

Bill made a motion, seconded by Bruce to accept the minutes for April 11, 2019, meeting as written. All were in favor.

Ned will help Jim go through the applications for the Lake host position on Thursday.

New Business

Roberta McCarthy will be attending the cyanobacteria meeting on May 11th and will bring back information.

There being no other business to come before the board, **A motion was made by Bill seconded by Ned to adjourn at 7:29 p.m.**

Respectfully submitted,
Stacy Bolduc, Recording Secretary
