TULIP Available to Primex³ P&L Members (Tenant Users Liability Insurance Policy)

Entertainment Brokers International (EBI) is pleased to announce that effective immediately, EBI will offer its clientele an easy to use, fast way to insure most types of events and activities taking place at various facilities and venues throughout the United States.

The TULIP (Tenant Users Liability Insurance Policy) has been available for many years. However, the EBI Program has streamlined the underwriting and accounting process in ways that make the EBI Program the most user friendly product in the market place.

What is a TULIP Program?

The TULIP Program provides low cost General Liability insurance to "third party" users of various venues and facilities. It is used by institutions that permit "third parties" to use their facilities for specific events. It protects both the facility user and the facility itself against claims by "third parties" who may be injured or lose property as a result of participating in the event.

Events may range from very low risk activities, such as seminars, receptions or weddings, to higher risk events including camps, sports events and concerts. The premium is based upon the risk associated with the event or activity, the number of days needed, the number of participants and if there are any special requirements, including alcohol liability, food service, etc.

Here's what the individual or organization needs to do:

- Go to link: <https://tulip.onebeaconentertainment.com/e/tulip/apply.aspx>
- Either enter your venue ID Code, or
- Type the word "Primex" in the search and then use the *drop down list* by clicking the arrow to select your town, city, or school.
- By selecting your organization this way, it pre-fills member address and then you can key in information regarding your specific event.
- If you have any difficulty with this process, please call Amy Poole at 1-800-698-2364 x136.
